Dear Mladen Grbovic,

Provisional Extension of WSDA Organic Input Material Registration

The expiration date noted on the 2020 Washington State Department of Agriculture (WSDA) Organic Input Material Registration Certificate issued to the above company has been provisionally extended from October 31, 2020 to **November 30, 2020**.

The following products are subject to this extension and may continue to be marketed as approved for use in organic production or handling through November 30, 2020:

- AgroThrive LF 2.5-2.5-1.5 - WSDA #1475
- AgroThrive TD 7-3-3 - WSDA #1797
- AgroThrive LFK 2.5-2.5-4.5 - WSDA #1850
- AgroThrive LFP 2-7-0.3 - WSDA #2394
- AgroThrive Fruit & Flower Liquid Fertilizer 3-3-5 - WSDA #2966
- AgroThrive General Purpose Liquid Fertilizer 3-3-2 - WSDA #2967
- AgroThrive LFN 3.0-3.0-2.0 - WSDA #2968
- AgroThrive LFCa 2.5-5-1 - WSDA #3226
- GardenBoost Organic Plant Food Liquid Concentrate 3-3-2 - WSDA #3255

WSDA Organic Program will issue a 2021 registration certificate upon review and verification of the company's renewal application forms. A publically available list of currently approved organic input materials is located on our website at: <https://agr.wa.gov/departments/organic/input-material-registration>

If you have any questions about the extension, or need any assistance regarding the requirements for using inputs in organic production or handling, please contact our staff at the number and email below.

Sincerely,

Brenda Book
